

# Boom!

## Simple Plan

Bo-bo-bo-bo-bo-bo-bo-bo  
Bo-bo-bo-bo-bo-bo-bo-Boom!  
Bo-bo-bo-bo-bo-bo-bo-bo  
Bo-bo-bo-bo-bo-bo-bo-bo-Boom!  
Bo-bo-bo-bo-bo-bo-bo-bo In a world full of heartache  
Seems like everyone's burning out  
You and me we did it our way  
And this love ain't running out  
We got that fire, that glow (Oh)  
And I just need you to know  
You're my favorite song  
My sing-along  
You shine bright like lighters in the dark  
And you're my clarity  
The best part of me  
You still make my crazy little heart go Boom!  
Bo-bo-bo-bo-bo-bo-bo-bo-Boom!  
Bo-bo-bo-bo-bo-bo-bo-bo-Boom!  
Bo-bo-bo-bo-bo-bo-bo-bo  
You still make my crazy little heart go Boom! Don't worry about tomorrow  
Cause these walls will never fall  
I just wanna let the world know  
What we've got's unbreakable  
We got it under control (Oh)  
We're good, we're solid, we're gold  
You're my favorite song  
My sing-along  
You shine bright like lighters in the dark  
And you're my clarity  
The best part of me  
You still make my crazy little heart go Boom!  
Bo-bo-bo-bo-bo-bo-bo-bo-Boom!  
Bo-bo-bo-bo-bo-bo-bo-bo-Boom!  
Bo-bo-bo-bo-bo-bo-bo-bo  
You still make my crazy little heart go Boom! You make my crazy little heart go  
And now I never wanna let go (Hey) You make my crazy little heart go  
And now I never  
I never  
I never wanna let go Boom!  
Bo-bo-bo-bo-bo-bo-bo-bo
