

Hail the Leaf

Down

Brave river
I can't sail
Lone feeling
That I might fail
So I just smoke
Let me tread, stoned
Sixth hour
Fail to rise
And I cower
In reality's eyes
So I just smoke
Let me tread, stoned
(Smoke)
(Stoned)
I have fallen
Scattered away
Alone, I'll cry
Broken shame
So I just smoke
Let me tread, stoned
I can't feel you
You can't breath
No more sadness
No more pain
Not what feeds your broken ways
No more sadness
No more woe
