

# Have Some Fun (feat. The Wanted & Afrojack)

## Pitbull

Chorus:

All I wanna do is have some fun

(Mr. WorldWide)

I got a feeling, that I'm not the only one

(I want it)

All I wanna do is take you ho-o-o-me

I got a feeling, this party has just begun

(Afro's back)

It's all I want

(reporting live from the UK)

I got a feeling, that I'm not the only one

It's all I want

And I got a feeling, that you're gonna give me some

It's all I want

Baby, it's all I want

You know the type of women that I like

The ones that understand my life

The ones that understand wrong is right

Let's do some wrong tonight

You name it I'll do it, all is the fluid,

I'm Spanish fluent, that means my tongue is bilingual

Ready to play with that spot that you tingle

Uh got a dingo, she's a star, Ringo

Her and 2 friends? Mmm, I like that lingo

She asked if I'm single,

I said of course not, and she loved it

Next thing you know, we were both having fun in public

Hahaha

Chorus:

All I wanna do is have some fun

I got a feeling, that I'm not the only one

All I wanna do is take you ho-o-o-me

I got a feeling, this party has just begun

It's all I want

I got a feeling, that I'm not the only one

It's all I want

And I got a feeling, that you're gonna give me some

It's all I want

Baby

It's all I want You know I love an open mind

(mind)

So I can see what you thinking

(thinking)  
That way I could give you exactly what you want  
Matter of fact what you drinking  
Some call it pimping, I call it leverage  
I call it slip? ing, they call it marriage  
She got me up like the Eiffel tower  
No Paris, momma you can f\*ck like the rabbits  
But no diamonds, no karates  
She asked if I was single, I said of course not  
And she loved it  
Next thing you know, we were both having fun in publicChorus:  
All I wanna do is have some fun  
I got a feeling, that I'm not the only one  
All I wanna do is take you ho-o-o-me  
I got a feeling, this party has just begun  
It's all I want  
I got a feeling, that I'm not the only one  
It's all I want  
And I got a feeling, that you're gonna give me some  
All I wanna do is have some fun  
I got a feeling, that I'm not the only one  
All I wanna do is take you ho-o-o-me  
I got a feeling, this party has just begun  
It's all I want  
I got a feeling, that I'm not the only one  
It's all I want  
And I got a feeling, that you're gonna give me some  
It's all I want  
Baby it's all I want  
Baby It's all I want  
It's all I want  
Baby it's all I want
