

# You Win Again

## Bee Gees

I couldn't figure why  
You couldn't give me what everybody needs  
I shouldn't let you kick me when I'm down  
My baby I find out everybody knows that  
You've been using me  
I'm surprised you  
Let me stay around you One day I'm gonna lift the cover  
And look inside your heart  
We gotta level before we go  
And tear this love apart  
There's no fight you can't fight this battle of love with me  
You win again, so little time, we do nothing but compete  
There's no life on earth, no other could see me through  
You win again, some never try but if anybody can, we can  
And I'll be, I'll be following you  
Following you, oh girl Oh baby, I shake you from now on  
I'm gonna break down your defenses, one by one  
I'm gonna hit you from all sides, lay your fortress open wide  
Nobody stops this body from taking you You better beware, I swear  
I'm gonna be there one day when you fall  
I could never let you cast aside  
The greatest love of all  
There's no fight you can't fight this battle of love with me  
You win again, so little time, we do nothing but compete  
There's no life on earth, no other could see me through  
You win again, some never try but if anybody can, we can  
And I'll be, I'll be following you  
Following you You win again, so little time, we do nothing but compete  
There's no life on earth, no other could see me through  
You win again, some never try but if anybody can, we can  
And I'll be, I'll be following you  
Following, following you You win again, so little time, we do nothing but compete  
There's no life on earth, no other could see me through  
You win again, some never try but if anybody can, we can  
There's no fight you can't fight this battle of love with me  
You win again, so little time, we do nothing but compete  
There's no life on earth, no other could see me through  
You win again, some never try but if anybody can, we can  
There's no fight you can't fight this battle of love with me  
You win again, so little time, we do nothing but compete
