Tired

Alan Walker & Gavin James

I see those tears in your eyes
I feel so helpless inside
Oh, love, there's no need to hide
Just let me love you when your heart is tiredCold hands, red eyes
Packed your bags at midnight
They've been there for weeks
You don't know what goodbye meansJust roll up a cigarette
Just forget about this mess
I'm waiting on the sidelines
From the sidelinesI see those tears in your eyes
And I feel so helpless inside
Oh, love, there's no need to hide
Just let me love you when your heart is tired
If your ghost pulls you apart
And it feels like you've lost who you are
My love, there's no need to hide
Just let me love you when your heart is tiredJust let me love you
Just let me love, just let me love
Just let me love you
Just let me love you when your heart is tiredAnd you whisper "I'm alright"
But I see through your white lies
But these walls don't talk
And if they could, they'd sayCan't hide the secrets
You can't forget about this mess
I'm waiting on the sidelines
From the sidelines
I see those tears in your eyes
And I feel so helpless inside
Oh, love, there's no need to hide
Just let me love you when your heart is tiredIf your ghost pulls you apart
And it feels like you've lost who you are
My love, there's no need to hide
Just let me love you when your heart is tiredJust let me love you
Just let me love, just let me love
Just let me love you
Just let me love you when your heart is tiredMy love, those tears in your eyes
My love, so helpless inside
My love, there's no need to hide
Let me love you when your heart is tired
