

Do You Know (What It Takes)

Robyn

Always be around

(Do you?, do you?, do you?)

Don't you know I can see what you're doing?

Running around with your cheap talk

Cheap talk, yeah

What I need is a man who can do me right

Do me right

If you got what I need

I can guarantee

To return all the love that you've given to me

But I've got to be sure that you always will be around

(Always be around)

Do you know what it takes to love me?

Do you know what it takes to do me right?

Do you know what it takes to love me?

Baby, baby

Heaven knows in my time

I've been lonely

Feeling my love echo in my mind

In my mind, yeah

A never satisfied girl's what they call me

But I just can't keep goin' on living lies

Guarantee unto me

You won't let me down

There's so much I can give

But it's buried so deep

I've just got to be sure that you always will be around

(Always be around)

Do you know what it takes to love me?

(Do you know)

Do you know what it takes to do me right?

Do you know what it takes to love me?

Baby, baby

Do you know what it takes?

(Do you know)

Do you know what it takes?

(Don't waste my time with your lies)

Yeah, baby

I gotta know

(You've got to prove that you will always be around)

I'll give you everything

Boy, will you do the same for me?

Will you do anything?

I gotta know the way it'll be

Do you know what it takes to love me?

(Do you know)

Do you know what it takes to do me right?

Do you know?

Do you know?

Do you know what it takes?

Do you know what it takes to love me?

Baby, yeah

Do you know what it takes to do me riight?

Don't waste my time, baby
