

# Someone You Loved

[Conor Maynard](#)

I'm going under, and this time, I fear there's no one to save me  
This all or nothing really got a way of driving me crazy  
I need somebody to heal, somebody to know  
Somebody to have, somebody to hold  
It's easy to say, but it's never the same  
I guess I kinda liked the way you numbed all the pain And now the day bleeds into nightfall  
And you're not here to get me through it all  
I let my guard down and you pulled the rug  
I was getting kinda used to being someone you loved  
I'm going under, and I fear this time there's no one to turn to  
This all or nothing way of loving got me sleeping without you  
Now, I need somebody to know, somebody to hear  
Somebody to have, just to know how it feels  
It's easy to say, but it's never the same  
I guess I kinda like the way you help me escape And now the day bleeds into nightfall  
And you're not here to get me through it all  
I let my guard down and you pulled the rug  
I was getting kinda used to being someone you loved  
And now the day bleeds into nightfall  
And you're not here to get me through it all  
I let my guard down and you pulled the rug  
I was getting kinda used to being someone you loved
