

Never Close Our Eyes

Adam Lambert

I wish that this night would never be over
There's plenty of time to sleep when we die
So let's just stay awake until we grow older
If I had my way, we'd never close our eyes, our eyes, never I don't wanna let a minute get away
'Cause we got no time to lose
None of us are promised to see tomorrow
And what we do is ours to choose Forget about the sunrise
Fight the sleep in your eyes
I don't wanna miss a second with you
Let's stay this way forever
It's only getting better if we want it to
You know that I wish that this night would never be over
There's plenty of time to sleep when we die
So let's just stay awake until we grow older
If I had my way, we'd never close our eyes, our eyes, never It's so hard to think this could fade
away
But what goes up must come down
Why can't we just live life with no consequence?
And always live in the now Forget about the sunrise
Fight the sleep in your eyes
I don't wanna miss a second with you
Let's stay this way forever
It's only getting better if we want it to You know that I wish that this night would never be over
There's plenty of time to sleep when we die
So let's just stay awake until we grow older
If I had my way, we'd never close our eyes, our eyes, never
You know that I wish that this night would never be over
There's plenty of time to sleep when we die
So let's just stay awake until we grow older
If I had my way, we'd never close our eyes, our eyes, never
