

Makeshift Chemistry

Crown the Empire

A lesson learned is easier said than done
When you're living in a world without the sun
My mind keeps struggling to remember
I wish I could find a way to make up for all that I've done
I know the choice was mine but can you blame me? Yeah, the choice was all mine
But I never thought that
I'd be the last man standing alone
I miss you here by my side
but darling, I can't help but feel like
love has died Operator, is there anybody at all
That can explain why I'd give everything
and more up for her
I know it's unbelievable
but something about her I can't resist
But she doesn't even know I exist
Ohh So yeah, I pulled the plug but I swore
the spark would still be there
buried beneath the promises and lies
We suffocated in all our own filth
I swear I only wanted what was best
but you just left I was just lonely
you were in love
but now it seems
that the table's have turned
And I feel so alone Yeah, the choice was all mine
But I never thought that
I'd be the last man standing alone
I miss you here by my side
but darling, I can't help but feel like
love has died
Operator, is there anybody at all
That can explain why I'd give everything
and more up for her
I know it's unbelievable
but something about her I can't resist
But she doesn't even know I exist Darling, won't you forgive me?
I'm just looking for a little bit of love
in this heartbreak city Darling, won't you forgive me?
I'm looking for a little bit of love
But she doesn't even know I exist All I wanted was to be your love
but now you've left
and I can not fill the void All I wanted was to be your love

but now I'm finally moving on Hahaha... I don't give a fuck I waited all this time to watch you
jump out of my life
If I knew you'd only wanted me
for just a single night
I would've left and never returned
but you had to beg me to fall in again
and now I'm just your slave Operator, is there anybody at all
That can explain why I gave everything
and more up for her?
I know I sound so gullible
but something about her just drew me in
But that bitch didn't even notice me (Yeah)
Operator, is there anybody at all
That can explain why I'd give everything
and more up for her
I know it's unbelievable
but something about her I can't resist
But she doesn't even know I exist
Darling, won't you forgive me?
I'm just looking for a little bit of love
in this heartbreak city
Darling, won't you forgive me?
I'm looking for a little bit of love
But she doesn't even know I exist
