

# The Two of Us

\*NSYNC

Uh\*laugh\*OhHey yeah yeahGirl when we started baby we were friends  
But that's not how this fairy tale is gonna end  
See I was thinking then it clicked one day  
(clicked one day)

That no one else has ever made me feel this way  
Next time I saw you girl I knew I had to try  
To tell you everything that I was feeling deep inside  
And listen good 'cause what I say is from my heart  
So if you're ready

You see I toss and turn when I'm alone  
And I just can't wait 'til you get home  
Waiting for your call (ooh) 'cause tonight we're gonna do it all  
Girl it's just the two of us

'Cause I'm thinking 'bout you day and night  
And I just can't get you off my mind  
When you get a minute (ooh) baby I was thinking we could hook up  
It's just the two of us, the two of us  
'Cause in a room full of people you're the only one around  
And nothing in this world could ever bring us down  
Baby I'll be there telling you I care  
This I swear

Girl it's just the two of us, the two of us  
Baby I wonder if you feel the same as I do  
I wonder if you're going through the things I'm going through  
I sent you flowers on a Saturday (Saturday)  
Inside's a letter with a message and no name  
See I just love the feeling, knowing that I can make you smile  
And I haven't felt that way about someone in quite awhile  
Just listen to these words I have to say (ooh)

Just take a chance (take a chance)You see I toss and turn when I'm alone  
And I just can't wait 'til you get home  
Waiting for your call (ooh) 'cause tonight we're gonna do it all  
Girl it's just the two of us

'Cause I'm thinking 'bout you day and night  
And I just can't get you off my mind  
When you get a minute (ooh) baby I was thinking we could hook up  
It's just the two of us, the two of us  
'Cause in a room full of people you're the only one around  
And nothing in this world could ever bring us down  
Baby I'll be there telling you I care  
This I swear

Girl it's just the two of us, the two of usIt just gets better with each day (maybe someday)

I always wanted to tell you  
But I was so afraid You see I toss and turn when I'm alone  
And I just can't wait 'til you get home  
Waiting for your call (waiting for your call)  
(ooh) 'cause tonight we're gonna do it all  
(gonna do it all)  
Girl it's just the two of us  
'Cause I'm thinking 'bout you day and night  
And I just can't get you off my mind  
When you get a minute (ooh) baby I was thinking we could hook up  
(oh yeah)  
It's just the two of us, the two of us  
'Cause in a room full of people you're the only one around  
And nothing in this world could ever bring us down  
Baby I'll be there telling you I care  
This I swear (I swear)  
Girl it's just the two of us, the two of us Oh Hey yea yeah
