

Always

Bon Jovi

[Verse 1]

This romeo is bleeding
But you can't see his blood
It's nothing but some feelings
That this old dog kicked up
It's been raining since you left me
Now I'm drowning in the flood
You see I've always been a fighter
But without you I give up
Now I can't sing a love song
Like the way it's meant to be
Well, I guess I'm not that good anymore
But baby, that's just me

[Chorus]

And I will love you, baby, always
And I'll be there forever and a day, always
I'll be there till the stars don't shine
Till the heavens burst and
The words don't rhyme
And I know when I die, you'll be on my mind
And I'll love you, always

[Verse 2]

Now your pictures that you left behind
Are just memories of a different life
Some that made us laugh, some that made us cry
One that made you have to say goodbye
What I'd give to run my fingers through your hair
To touch your lips, to hold you near
When you say your prayers try to understand
I've made mistakes, I'm just a man
When he holds you close, when he pulls you near
When he says the words you've been needing to hear
I'll wish I was him cause those words are mine
To say to you till the end of time

[Chorus]

Yeah, I will love you baby, always

And I'll be there forever and a day, always

[Bridge]

If you told me to cry for you

I could

If you told me to die for you

I would

Take a look at my face

There's no price I won't pay

To say these words to you

[Guitar Solo]

Well, there ain't no luck

In these loaded dice

But baby if you give me just one more try

We can pack up our old dreams

And our old lives

We'll find a place where the sun still shines

[Chorus]

And I will love you, baby, always

And I'll be there forever and a day, always

I'll be there till the stars don't shine

Till the heavens burst and

The words don't rhyme

And I know when I die, you'll be on my mind

And I'll love you, always
