

# One of the Boys

Katy Perry

[Verse 1]

I saw a spider, I didn't scream  
'Cause I can belch the alphabet  
Just double dawg dare me  
And I chose guitar over ballet  
And I tape these suckers down  
'Cause they just get in my way

[Pre-Chorus 1]

The way you look at me  
Is kinda like a little sister  
You high five your goodbyes  
And it leaves me nothing but blisters

[Chorus 1]

So I don't wanna be one of the boys  
One of your guys  
Just gimme a chance to prove to you tonight  
That I just wanna be one of the girls  
Pretty in pearls  
Not one of the boys

[Verse 2]

So over the summer something changed  
I started reading Seventeen and shaving my legs  
And I studied Lolita religiously  
And I walked right into school and caught you staring at me

[Pre-Chorus 2]

'Cause I know what you know  
But now you're gonna have to take a number  
It's okay, maybe one day  
But not until you gimme my diamond ring

[Chorus 2]

'Cause I don't wanna be one of the boys  
One of your guys  
Just gimme a chance to prove to you tonight  
That I just wanna be your homecoming queen  
Pin up poster dream

Not one of the boys

[Bridge]

I wanna be a flower, not a dirty weed  
I wanna smell like roses, not a baseball team  
And I swear maybe one day  
You're gonna wanna make out  
Make out, make out with me  
Don't wanna be (Don't wanna be)  
Don't wanna be (Don't wanna be)  
Don't wanna be (Don't wanna be)

[Chorus 1]

'Cause I don't wanna be one of the boys  
One of your guys  
Just gimme a chance to prove to you tonight  
That I just wanna be one of the girls  
Pretty in pearls  
Not one of the boys
