

These Streets

Bastille

[Verse 1]

These streets are yours, you can keep them
I don't want them
They pull me back and I surrender
To the memories I run from

[Pre-Chorus 1]

Oh, we have paved these streets
With moments of defeat

[Chorus]

But even if we won't admit it to ourselves
We'll walk upon these streets and think of little else
So I won't show my face here anymore
Oh, I won't show my face here anymore

[Verse 2]

These streets are yours, you can keep them
In my mind, it's like you haunt them
And passing through, I think I see you
In the shapes of other women

[Pre-Chorus 2]

Oh, we have stained these walls
With our mistakes and flaws

[Chorus]

But even if we won't admit it to ourselves
We'll walk upon these streets and think of little else
So I won't show my face here anymore
Oh, I won't show my face here anymore

[Bridge]

(All that's left behind)

Is a shadow on my mind (Shadow on my mind)
Oh, a shadow cast upon the wall is silhouette and nothing more (Shadow on my mind)
That is all that's left behind (All that's left behind)

[Chorus]

But even if we won't admit it to ourselves

We'll walk upon these streets and think of little else
So I won't show my face here anymore
Oh, I won't show my face here anymore

[Outro]

I won't show my face here anymore
I won't show my face here anymore
