

Fly

Veruca Salt

Twice bitten, twice baked
Twice led down the same mistake
Try me on a Saturday... Try me, try me
Fine fool for a holiday
Slow sun in a Spanish way
One heart for one week of May
Why me? Why me? Twice given to yesterday
Right for a foray with fate
Fly me home to heaven's gate
Fly me, fly me... flyyyyyy me
Twice bitten, twice baked
Twice led down the same mistake
Try me on a Saturday... Try me, try me
