

# Knees

Bebe Rexha

Sittin' in a parked car  
We don't even fight no more  
We don't even touch no more  
Used to be my best friend  
We don't even laugh no more  
Barely even talk no more You wanna hold my hand and then you won't  
You say you love me then you don't  
You keep me running and running around If I'm not all you need  
Then just set me free  
I'm down on my knees  
If you're not the one for me  
Then just let me be  
I'm begging you, please  
I'm praying for closed doors and open windows  
I'll follow where the wind blows  
Don't be scared to leave  
If I'm not all you need  
Then just set me free  
I'm down on my knees, tonight We used to go out on dates  
Now you don't wanna go no place  
Feels like we're stuck in one place  
I wish I could read your mind  
Instead I gotta read your eyes  
Oh, how they tell me lies You wanna hold my hand and then you won't  
You say you love me then you don't  
You keep me running and running around  
If I'm not all you need  
Then just set me free  
I'm down on my knees  
If you're not the one for me  
Then just let me be  
I'm begging you, please I'm praying for closed doors and open windows  
I'll follow where the wind blows  
Don't be scared to leave  
If I'm not all you need  
Then just set me free  
I'm down on my knees, tonight Se-se-set me free, le-le-let me be  
I'm down, down on my knees (I'm down, down on my knees)  
Se-se-set me free, le-le-let me be  
I'm down, down on my knees If I'm not all you need  
Then just set me free  
I'm down on my knees

If you're not the one for me  
Then just let me be  
I'm begging you, please I'm praying for closed doors and open windows  
I'll follow where the wind blows  
Don't be scared to leave  
If I'm not all you need  
Then just set me free  
I'm down on my knees, tonight
