

# Before I Let You Go

## Blackstreet

Before I let you go, before I let you go  
Can I get a kiss goodnight baby?(Hmmmm)  
Before I let you go, before I let you go  
Can I get a kiss goodnight baby? (Ohhhh)Before I let you go, before I let you go  
Can I get a kiss goodnight baby? (oohh yeah...)  
Before I let you go before I let you go  
Can I get a kiss goodnight baby?Lately I been thinkin'  
Somethings going on  
'Cause you got an attitude  
You're not in the mood  
Like you use to...  
Girl I can feel it  
When I hold you in my arms  
The feeling is not the same  
And I'd be the one to blame  
I don't want to lose your love (hmmm)  
I don't wanna say bye-bye (oh nooo)  
True love is so hard to find  
And it's right between your lips and mine... and mine  
Before I let go...Before I let you go away  
(Can I get a kiss?)  
Can I get a kiss goodnight?  
(Baby, before I go can get a kiss goodnight?)  
Before I let you go away  
(Oh baby baby)  
Before I let you go away  
Can I get a kiss goodnight?  
(Listen baby...)  
Turn the lights down low  
Let's take it nice and slow  
My mission is to keep you mine  
Don't want this to be the last time  
We'll make sweet love baby  
I know you'll feel it too  
It's bigger than the both of us  
There's one thing I so certain of:I don't want to lose your love (don't wanna lose ya)  
I don't want to say bye-bye (don't wanna lose ya)  
It's always the little things  
I remember and I can't just let it slip away... slip away  
Before... (oh ohhh)Before I let you go away  
(Baby, I wanna know, I wanna know...)  
Can I get a kiss goodnight?

(Before I go, I go, I go away.)  
Before I let you go away  
(I just gotta know, can I have...?)  
Can I get a kiss goodnight?(Teddy, won't you play the music for me  
Teddy won't you play... Blackstreet sang)  
Don't wanna lose ya  
(Baby I get so lonely sometimes I...)  
Dont wanna lose ya  
(Baby, my heart is broken, sometimes I need you right now... I don't)  
Don't wanna lose ya  
Can't let you slip away.slip away  
Before I let go... (ohhh ohh)Before I let you go away  
(Baby Baby.)  
Can I get a kiss goodnight?  
(I don't it being a problem if I just get one little bitty kiss baby...)  
Before I let you get away  
(I just can't let you get away)  
Can I get a kiss goodnight?  
(oh Yeah.before I let you go)Before I let you go, before I let you go ('Lawd have Mercy!)  
(See I wanna know.)  
Can I get a kiss goodnight baby?  
(I've gotta have one kiss good night)  
Before I let you go, before I let you go  
(Don't say bye-bye.Please!)  
Can I get a kiss goodnight baby?I don't wanna lose your sweet love  
So don't say goodbye... say goodnight
