

Flames

Justine Skye

Love you, love you, love you, love you
Ey, Ey, Ey, Ey, yeah You can lie everytime you try
You keep on coming back to me, i don't know how to act
I don't i find
Don't give away what's mine
Tonight i draw the line Celebrate like it's your birthday
I got your favorite cake, with your name on it
Imma participate, sing on it
Bring your camera bae
Imma put some flames on it Boy i think i love you
Boy i think i love you
Boy, I love you, i love you, I love you, i love you
Boy i think i love you
Boy i think i love you
Boy, boy, boy And she will never be this sweet
Never get from her what you getting from me, oh baby Cus i love you
I love you (hey now)
I love you, i love you, I love you, i love you Come here babe, sometime
tell me what you need and i'll be there right now
Cus i'll do anything and i'll do everything, yeah
I just wanna be that little thing in you dreams Celebrate like it's your birthday
I got your favorite cake, with your name on it
Imma participate, sing on it
bring your camera bae
imma put some flames on it
Boy i think i love you
Boy i think i love you
Boy, boy, boy Boy i think i love you
Boy i think i love you
Boy, boy, boy
And she will never be this sweet
Never get from her what you getting from me, oh baby Cus i love you
I love you (hey now)
I love you, i love you, I love you, i love you
