

# Down In the Valley

Solomon Burke

Down in the valley, valley so low  
Hang your head over  
And hear the wind blow Can't you hear the wind blow, my love  
Can't you hear the wind blow  
Down in the valley, valley so low Have you ever been lonely, lonely  
Have you ever been sad  
Did you ever really  
Really want some one  
And really need them bad  
Bad, bad, bad, bad  
Roses love sunshine, violets love dew  
Angels in heaven know I love you  
Know I love you, dear, know I love you  
Angels in heaven, know I love you It was down in the valley  
The valley so low  
It was where I held you so tight  
How could I ever let you go I remember the first kiss  
Oh, how it filled me so  
Now all that I can feel right now  
Is that cold wind blow  
Down, down, down, down, down  
Down, down, down, down so low  
Come on (hang your head low)  
Come on, come on (hear the wind blow) (Hear the wind blow) one more time  
Just one more time for me right now
