

# Heaven Can Wait (feat. Sia, Diplo & Labrinth)

## LSD

[Verse 1: Sia]

The doctor just gave me the bad news  
I've been living like a queen in a castle  
Oh, dark spirits runnin' through me like a drive-thru  
You'll be my music everybody getting high to [Pre-Chorus: Labrinth & Sia]

Yeah, I know it

Yeah, I know it, now

Time is running

Time is running out

[Chorus: Labrinth & Sia]

I gotta live

Oh, oh-oh

I gotta love

Oh-oh-oh-oh-oh-oh-oh-oh-oh

Said, I gotta breathe

Oh-oh-oh-oh-oh-oh-oh-oh-oh

No, this ain't it for me

No-no-no-no-no-no [Post-Chorus]

No, not today, baby, heaven can wait

No, not today, baby, heaven can wait

No, not today, baby, heaven can wait

No, not today, baby

No, not today

[Verse 2: Labrinth]

Tick tock and I'm praying for time

You're my angel, put my heart on rewind

So, babe could you do me a favour? (A favour)

Girl, would you be my saviour?

Tick tock and I'm praying for time [Pre-Chorus: Labrinth]

Yeah, I know it

Yeah, I know it, now

Time is running

Time is running out [Chorus: Sia]

See, I gotta live

Oh, oh-oh

I gotta love

Oh-oh-oh-oh-oh-oh-oh-oh-oh

Said, I gotta breathe

Oh-oh-oh-oh-oh-oh-oh-oh-oh

No, this ain't it for me

No-no-no-no-no-no [Post-Chorus: Sia & Labrinth]

No, not today, baby, heaven can wait

No, not today, baby, heaven can wait  
No, not today, baby, heaven can wait  
No, not today, baby, heaven can wait[Bridge: Labrinth]  
No, this ain't it for me, no (Yeah)[Outro: Sia]  
No, not today, baby, heaven can wait  
No, not today, baby, heaven can wait, oh  
No, not today, baby, heaven can wait  
No, not today, baby  
No, not today, babe
