

Simple

Florida Georgia Line

[Verse 1]

The way your fingers fit in mine
It's five plus five, not rocket science
This day in time, that's hard to find, it's true
The road we're on ain't a traffic jam
It's a Sunday drive on a piece of land
It's paradise as long as I'm with you

[Chorus]

It's like one, two, three
Just as easy as can be
Just the way you look at me
You make me smile
Ain't no need to complicate it, we both know that's overrated
We've been there, it's safe to say it ain't our style
It's just that simple, S-I-M-P-L-E
Simple as can be
It's just that simple, S-I-M-P-L-E
Simple as can be

[Verse 2]

We used to live on Instagram
Worry 'bout who all gives a damn
'Bout where we've been and where we ended up
Then I met you and you met me
And all the rest is history
An epiphany that all we need is us

[Chorus]

It's like one, two, three
Just as easy as can be
Just the way you look at me
You make me smile
Ain't no need to complicate it, we both know that's overrated
We've been there, it's safe to say it ain't our style
We're just simple like a six string
The way this world was meant to be
Like laughin', love, make a lot out of a little
It's just that simple, S-I-M-P-L-E
Simple as can be

It's just that simple, S-I-M-P-L-E
Simple as can be

[Instrumental]

[Chorus]

Ain't no need to complicate it, we both know that's overrated
We've been there, it's safe to say it ain't our style, yeah
It's like one, two, three
Just as easy as can be
Just the way you look at me
You make me smile
Ain't no need to complicate it, we both know that's overrated
We've been there, it's safe to say it ain't our style
We're just simple like a six string
The way this world was meant to be
Like laughin', love, make a lot out of a little
It's just that simple, S-I-M-P-L-E
Simple as can be
It's just that simple, S-I-M-P-L-E
Simple as can be
It's just that simple, S-I-M-P-L-E
Simple as can be
It's just that simple, S-I-M-P-L-E
Simple as can be
