

# She Know's

Joyner Lucas

K-K-Kato on the track bitch

[Verse 1]

I got a girl, she dope as hell (Dope as hell)  
She wear that Gucci, That Louis, Chanel  
Shorty so right can't even deny (even deny)  
Booty so fat you can see from the side (see from the side)  
I'm just a guy, I'm just a man  
Lotta things 'bout me she won't understand  
I think I'm so used to being alone  
Now I have urges to cheat on the low  
No, It ain't cool  
No, It ain't life  
No, I ain't saying that shit is alright  
But it was only supposed to be once  
Now I got more than one chick on the side  
Feel like a dick  
Feel like a cheat  
Wonder how'd I feel like if that was me  
Knowing they fearing, I know that It's wrong  
Ain't no excuse and I feel like a dog

[Pre-Chorus]

Then my phone rang, my phone rang  
Got me on some code names, I'm so ashamed  
Now my girl lookin' at me so strange, say I won't change  
Oh na na  
Now I'm layin' there with my lover and she starin' and me oh

[Chorus]

And I think she knows  
Yeah I think she knows  
And I think she knows  
I think that she know whats up  
I think that she know enough  
Yeah I think she knows

[Verse 2]

I'm para-I'm para-I'm paranoid  
I must admit

Real mixed emotions that I gotta fix  
When she at work I be losing my mind  
Feeling like she know the truth and I'm blind  
Taking my time, I got a plan (I got a plan)  
Plus I'm afraid that she won't understand  
If she found out then I'd be on my own  
Fighting these urges to cheat on the low  
No, it ain't real (No, it ain't)  
No, it ain't cool  
No, I ain't saying that this is the move (This is the move)  
But it was only supposed to be once ('Posed to be once)  
But that one night just turned into a few  
I'm such a dick  
Feel like a cheat  
Wonder how'd I feel like if that was me (If that was me)  
Knowing they fearing, I know that it's wrong  
Ain't no excuse though I feel like a dog

[Pre-Chorus]

Then my phone rang, my phone rang  
Got me on some code names, I'm so ashamed  
Now my girl lookin' at me so strange, say I won't change  
Oh na na  
Now I'm layin' there with my lover and she starin' and me oh

[Chorus]

And I think she knows  
Yeah I think she knows  
And I think she knows  
I think that she know whats up  
I think that she know enough  
Yeah I think she knows

[Pre-Chorus]

Then my phone rang, my phone rang  
Got me on some code names, I'm so ashamed  
Now my girl lookin' at me so strange, say I won't change  
Oh na na  
Now I'm layin' there with my lover and she starin' and me oh

[Bridge]

I've been so selfish, I've been so blind  
I feel so stupid, I don't know why  
I got a good girl at home  
And I know she love me so much  
And she know I'm up to no good, no good

[Chorus]

And I think she knows

Yeah I think she knows  
And I think she knows  
I think that she know whats up  
I think that she know enough  
Yeah I think she knows
