

Perfectly Wrong

Shawn Mendes

[Verse 1]

Taste the poison from your lips
They leave, we're as good as gone
Oh, our love is drunken in
Singing me my favorite song[Pre-Chorus]
Me and you

We were made to break
I know that's true
But it's much too late[Chorus]
You're perfectly wrong for me
And that's why it's so hard to leave
Yeah, you're perfectly wrong for me
You're perfectly wrong for me
All the stars in the sky could see
Why you're perfectly wrong for me

[Verse 2]

Oh, you know how much it hurts
Every time you say you hate me
But when we're making love, you make it worth it
I can't believe the places that you take me[Pre-Chorus]

There's no use
We were made to break
I know the truth
And it's much too late[Chorus]
You're perfectly wrong for me
And that's why it's so hard to leave
Yeah, you're perfectly wrong for me
Oh, you're perfectly wrong for me
All the stars in the sky could see
Why you're perfectly wrong for me

[Bridge]

Oh, and why can't I quit
When you break my heart open
I need you more than I know

Oh

And I can't resist
When you're up against my skin
I never want to let you go[Chorus]
You're perfectly wrong for me
And that's why it's so hard to leave
Yeah, you're perfectly wrong for me, mhm
Yeah, you're perfectly wrong for me

Hate that you know that I won't leave
Yeah, you're perfectly wrong for me, oh
Yeah, you're perfectly wrong for me
And that's why it's so hard to leave
Yeah, you're perfectly wrong for me, yeah
Oh, you're perfectly wrong for me
Hate that you know that I won't leave
Yeah, you're perfectly wrong for me
Yeah, you're perfectly wrong for me
