

Future

Musiq Soulchild

Yeah ya
It's Music
So chap
Yea, it feels good right here
It feels good right here
Come on ya'll
Listen up ya'll Hey ya'll, hey ya'll
Don't you ever let no one tempt you to grow up
And give up on your dreams instead
Hey ya'll, hey ya'll
Ain't nothing worse than to have someone tempt you to grow up
And give up on your dreams instead
Hey ya'll, hey ya'll
Yeah see, everybody's got somethin' that they want to be in life
And I'm sure it's somethin' that you may have wanted to try
No, it don't matter how old you are or how many dreams you have
Or how many people got your back 'cause let me tell you Hey ya'll, hey ya'll
Ain't nothin' worse than to have someone tempt you to grow up
And give up on your dreams instead
Hey ya'll, hey ya'll
So don't you ever let no one tempt you to grow up
And give up on your dream instead
Hey ya'll, hey ya'll Yeah see, everybody's got somethin' that they want to be in life
And I'm sure it's somethin' that you may have wanted to try
No, it don't matter how old you got or how many kids you got
Or how many things you gotta do 'cause let me tell you
Hey ya'll, hey ya'll
Ain't nothin' worse than to have someone tempt you to grow up
And give up on your dreams instead
Hey ya'll, hey ya'll
So don't you ever let no one tempt you to grow up
And give up on your dream instead Yeah see, Don't worry you can do it baby
Ain't really nothing to it baby
Take your time and you can do it
'Cuz whatever you want it's all up to you it ain't hard
I promise you can get it
But in order for you to get it you gotta be in it baby
And once you in it you can win it
'Cuz whatever you want it's all up to you it ain't hard Hey ya'll, hey ya'll
Ain't nothin' worse than to have someone tempt you to grow up
And give up on your dreams instead
Hey ya'll, hey ya'll

So don't you ever let no one tempt you to grow up
And give up on your dreams insteadHey ya'll, hey ya'll
'Cause ain't nothin' worse than to have someone tempt you to grow up
And give up on your dreams instead
Hey ya'll, hey ya'll
So don't you ever let no one tempt you to grow up
And give up on your dreams insteadHey ya'll, hey ya'll
'Cause ain't nothin' worse than to have someone tempt you to grow up
And give up on your dreams
Hey ya'll, hey ya'll
So don't you ever
