

# Shining On My Ex

## bbno\$ & Yung Gravy

It's bbno\$  
Why she tryna bite me?  
Why she tryna endite me?  
Flow be kinda frightenin'  
Pull up like it's Spike Lee  
Better tread lightly  
Neckie, it look like ice cream  
Teeth slightly gold, yeah, it need a bit of whitening  
Johnny Depp, Boba Fett, that's a bet  
Lil' check, lavish neck, yeah, it's shinin' on my ex  
Yeah, what's next? Huh, shinin' on my ex  
Yeah, what's next? Bitch, shinin' on my ex  
Yeah, what's next?  
Off the Triple Sec, stuntin' on my ex  
Gettin' PnB Rock type neck  
That ain't a weird flex  
Shinin' on my ex, yeah, what's next, bitch?  
Shinin' on my ex, yeah, what's next, bitch?  
Thank you, next  
Send a text to your next bitch while I'm fuckin' on your ex  
And the text real direct (Yup)  
Wreck-It Ralph playin' HD, 'cause the coochie gettin' wrecked  
She like, "Damn, you're romantic"  
Gravy speakin' Spanish like I ain't even planned it  
Hit it twice, then I vanish  
Walk up out the crib with an ice cream sandwich  
Shinin' on my ex with my neck, bitch  
Got them brown hundreds, I don't need a switch  
Already selling copies, I don't need a pitch  
Why your girl ask me how the hell I get my clean fit?  
Johnny Depp, Boba Fett, that's a bet  
Lil' check, lavish neck, yeah, it's shinin' on my ex  
Yeah, what's next? Huh, shinin' on my ex  
Yeah, what's next? Bitch, shinin' on my ex  
Yeah, what's next?  
Off the Triple Sec, stuntin' on my ex  
Gettin' PnB Rock type neck  
That ain't a weird flex  
Shinin' on my ex, yeah, what's next, bitch?  
Shinin' on my ex, yeah, what's next, bitch?  
Dude, I'd be pissed off if this song blew up on TikTok  
Huh, I just copped a Honda, tricked to shit (Ooh)  
And I'm wip it quick, bezzle on my wrist

She obvie tryna lick  
You lookin' like some plaque, I'm a toothpick  
Money feelin' exponential, glad I'm mathematic  
Flip a bag, I'm acrobatic (Woo)  
Couple foreign ass rugs in my crib, Aladdin (Aladdin)  
Money keep comin' in, always want Madden (Mad)  
Droppin' to the terrace, yeah, comin' for me clappin'  
And the milli' gettin' close, yeah, I'm closin' in the gap (Ayy)  
Huh, shinin' on my ex, yeah, what's next, bitch?  
Shinin' on my ex, yeah, what's next? Huh  
Shinin' on my ex, yeah, what's next?  
'Cause I'm shinin' on my ex, huh  
Shinin' on my ex, yeah, what's next, bitch?  
Shinin' on my ex, yeah, what's next?  
Shinin' on my ex, yeah, what's next, bitch?
