

Go Up

Hotboii

[Intro]

Mm, mm

Do you want smoke? (Do you want smoke?)

We want all the smoke (All the?smoke)

Yung?Shad, you killed?this track

Mm

[Chorus]

So what niggas envy me,?prolly think 'bout ending me? (Ending me?)

And I still?ride?'round?'with felonies, don't?think this shit?is sweet (Shit is sweet)

Got similar enemies (Enemies), still ain't no friend in me (No friend in me)

Ran out of Hennessy (The Hennessy), so I started sipping lean (I'm sipping lean)

Pour up, pour up, got my soda slowed up

Whip out like hold up, hold up (Hold up)

I just wanna go up, go up (Go up)

Nobody wanna stay down (Down)

Everybody wanna go up, go up (Go up)

Mama, I'm straight now (Now)

Just watch me blow up, blow up

[Verse]

Wanna go up just like the Sun (Sun)

No worries about no one (No one)

This Glock is full of hollows

I'ma blow it right at your stomach (Your stomach)

Ones told on the floor he sick (He sick)

Who stole it the one who vomit (Vomit)

And ain't worried about no bitch (No bitch)

'Cause in dozens how they coming (They coming)

Give me your heart, for real, I promise not to fumble (I promise)

With me from the start, for real, that childish shit we done it

We done been through that (That)

Ain't tryna move back (Back)

Know not to do that (That)

Stay down with me, get a new ass (Ass)

No clowns in the clique, I'm riding with it (Riding with it)

No sound when it hit, I silenced the stick (I silenced the stick)

Big old clip, I got it extended (Got it extended)

More rounds if I miss, I doubt I'ma miss (Doubt I'ma miss)

I met this ho, she a body lil' bitch (Body lil' bitch)

I passed the whore and I got an assist (I got an assist)

Give me throat, I do not wanna kiss (Do not wanna kiss)

These niggas, they know that I'm riding with the stick (With the stick)

Bitch

Run down on who? (On who?)
I'ma run down on you (On you)
Everybody know he got his tool (Got his tool)
That lil' nigga know how to move (How to move)
Every night he running up a check, he don't know how to snooze (He don't know how to
snooze)
Say he gon' die 'bout his respect, 'cause that's what he gotta lose (Baow)
[Chorus]
So what niggas envy me, prolly think 'bout ending me? ('Bout ending me?)
And I still ride 'round with felonies ,don't think this shit is sweet (Shit is sweet)
Got similar enemies (Enemies), still ain't no friend in me (Friend in me)
Ran out of Hennessy (The Hennessy), so I started sipping lean (I'm sipping lean)
Pour up, pour up (Up), got my soda slowed up (Up)
Whip out like hold up, hold up (Up)
I just wanna go up, go up (Up)
Nobody wanna stay down (Down)
Everybody wanna go up, go up
Mama, I'm straight now (Now)
Just watch me blow up, blow up

[Outro]

Blow up, blow up
Blow up, blow up
