

In My Hood

SPM

1 2 Buckle That Fool

He's Fuckin' With Me If He's Fuckin' With You

Hillwood To My Bones To My Chromosomes

Got 2 44's So I'm Not Home Alone

Push A Pencil Like A Stone On A Saturday Night

I Choke A Hoe From My Tow Like I'm Grabbin' The Mic

They Bought Me A Used Dirt Bike

A Year Later It Was Used To Serve White

Ghetto Bird On Top Of Us ---- --- Officers

Mad Cause My Closet Full Of Guns & Nauticas

Rockin' Up Duckies For Fiends & Junkies

Got More Cheese Than Chuckies & Get My Weed From Ugly's

It's All Lovely Just Bought A Pitbull Puppy

That's Guaranteed To Make Me A Shit Full Of Money

Man I Just Couldn't Study In School I Was Nervous

So I Left I Can't Even Write In Cursive.

What Do You See In My Hood?

I See Gangsta's Everywhere Every Where.

What Do You See In My Hood?

I See Gangsta's Everywhere Every Where.

& I'm Goin' Live Liver Than The Rest

I Told My Mom While I'm Locked Take It As A Test

Up In Garza West Smokin' On A Skinny Square

3 More & I Believe I Can Get Me There

I'll Be Home Soon I Promise That

I Be Trippin' Cause Now They Say My Daughter Rap

7 Years Old [I'm 8 Now Dad] They Say She Real Cold

She My Muthafuckin' Life For Real Dow

Lord Knows That He Got Me Here For A Reason

What It Is I Don't Know But Yo' Boy Breathin'

They Didn't Kill Me So Now Them Hoes Gotta Feel Me

I Been Slangin' Since I Got Kicked Out Of Milby

Last 10 Years Been A Cold Jungle

In The Streets Sellin' Dope To My Own Uncle

Born Thug They Gon' Hate Me Till I'm Bagged Up

I'm My Casket I'll Probally Still Be Handcuffed.

What Do You See In My Hood?

I See Gangsta's Everywhere Every Where.

What Do You See In My Hood?

I See Gangsta's Everywhere Every Where.

I Come From The Slums Southside Houston

Changed To Screwston The Day Screw Moved On
& I Miss Him Wish I Could Hug & Kiss Him
He Was Askin' For Help But No One Would Listen
Reminiscein' Actin' Like A Fool At Roxy
Jealous Niggas Lookin' But Refuse To Box Me
I Don't Blame 'Em Dow I Would Jump On Stage & Flow
& Holla Fuck The Police & The Radio
They Can't Stop Me But Certainly Them Hoes Can Try
I Started Dope House Back When I Was Smokin' Fry
In The Penn I Just Wish I Had One Made
I Swear To God These Hoes Hate To See Us Paid
Just Made Mix-Bread With Roastbeef
Got My Boy Pullin' Meat Out His Gold Teeth
On The Mic I Destroy Any Earth-A-Ling
My New Song Called Pussy Weed & Burger King.

What Do You See In My Hood?
I See Gangsta's Everywhere Every Where.
What Do You See In My Hood?
I See Gangsta's Everywhere Every Where.
