

# Lonely

## NAV

Said she scared to pop a pill  
Girl you know what's the deal when you're hangin' with me  
Tryna see if you for real

I heard you talk the talk but will you take these Addys with me?  
And you know I'm poppin' seals  
I don't wanna drink the Sprite unless it's dirty  
Now you know how I feel

Girl I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)

I got what you need, you feelin' lonely  
You ain't gotta pay, I got these Addy's for free  
Listen to my music and she think she know me  
When I'm on the drugs, baby that's the real me, yeah  
Your boyfriend say he can't stand me  
'Cause every time you fuck you always creepin' on me  
Like I work for Best Buy, got them tablets  
Got the Addys and the mollies and the perkys on me  
Fuck your man, he ain't got nothin' on me  
She say, "You ain't got respect, you always nuttin' on me"  
Girl you shouldn't have come out here with me  
If they pull me over they gon' find somethin' on me

Said she scared to pop a pill  
Girl you know what's the deal when you're hangin' with me  
Tryna see if you for real  
I heard you talk the talk but will you take these Addys with me?  
And you know I'm poppin' seals  
I don't wanna drink the Sprite unless it's dirty  
Now you know how I feel

Girl I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)

Said she scared to pop a pill  
Girl you know what's the deal when you're hangin' with me  
We ain't gotta go nowhere  
Open up my lil' box, I brought the party with me  
And I always drive impaired  
Always fuck bitches in pairs, I wanna fuck a bitch in Paris  
Remember when they didn't care?  
Now when they see me, bitches stare  
I'm throwin' Xannys in the air  
If she catch one in her mouth she gon' be sleepin' on me  
Ain't talkin' Gucci when I say I got them double G's on me  
Look me in my eyes and pop another one with me  
She try to challenge me, she overdosin' fuckin' 'round with me

Said she scared to pop a pill  
Girl you know what's the deal when you're hangin' with me  
Tryna see if you for real  
I heard you talk the talk but will you take these Addys with me?  
And you know I'm poppin' seals  
I don't wanna drink the Sprite unless it's dirty  
Now you know how I feel

Girl I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely (Yeah)  
I got what you need when you feelin' lonely
