

Baby Sitter (feat. Offset)

DaBaby

You know I ain't come to play,
Let's get it (Turn me up)
I'm snappin' off the rip Your ho say I'm her favorite nigga (Hah)
You probably don't wan' let your
Baby mama take a picture
(Why? Go Grizz)
'Cause I'm the type of
Baby that's gon' fuck her babysitter
(Marii Beatz, turn me up)
I just did a show and pulled
Off laughin' on a hatin' nigga (Hah)
Them bitches aimin' at y'all fast,
I'm on these rapper niggas' ass
I pulled that .40 out, he better
Have an angel with him
You tryna book me for a show,
You gotta pay me 'fore I go
To feed the family,
I ain't got no time to play
With niggas (Ayy, what you see?)
I see these niggas think they tough,
You play with me, you know it's up
You think it's sweet then
Call my bluff and
I'ma spank a nigga (Yeah)
Fuck all them niggas and
Whoever they got hangin'
With 'em, bitch
I'ma die of old age whenever
I die (What we gon' do?)
Walk down on that nigga,
Fuck a drive-by (Yeah)
His bitch came in with me
But she ain't mine, mine
(She not mine)
Free my cousin 'til he free,
He doin' time time (Let him free)
I'm the motherfuckin' best
But I'm not Khaled (Ayy, we the best)
She like how I be dressin',
Ain't no salad (Uh-huh)
Can't fuck with her,

She messy, that's a hazard (Oh no)
 Tell the ref to blow the whistle,
 That bitch traveled (Brrt)
 Fuck all that talkin', we 'bout
 Action (What we 'bout?)
 You got a son, you play with me,
 Your son a bastard (Haha)
 That nigga trippin', why he laughin'?
 Nah, that's fucked up, bro,
 You ain't have to goddamn
 Bring the kids into it
 You know I ain't come to play,
 Let's get it (Turn me up)
 I'm snappin' off the rip
 Your ho say I'm her favorite nigga (Hah)
 You probably don't wan' let
 Your baby mama take
 A picture (Why? Go Grizz)
 'Cause I'm the type of Baby
 That's gon' fuck her babysitter
 (Marii Beatz, turn me up)
 I just did a show and pulled off
 Laughin' on a hatin' nigga (Hah)
 Them bitches aimin' at y'all fast,
 I'm on these rapper niggas' ass
 I pulled that .40 out,
 He better have an angel with him
 Fuck all them niggas and
 Whoever they got hangin' with 'em, bitch
 Shawty wanna be famous, don't it? (Who?)
 Say that she want a Patek
 With her name up on it (Patek, Patek)
 You gotta fuck on an opp and
 Get 'em painted, earn it (Stripes, woo)
 I'm drippin', not slippin', my socks
 Got Gucci Gang up on 'em
 (Drippin', I'm drippin')
 Squeeze the fire, make
 'Em back, back, back, back
 She got fleas, she fly, she's
 A gnat, gnat, gnat, gnat (Gnat)
 I'm on lean, I be high,
 She on batch,
 I can't match (Nah)
 I got fiends in a line, shippin'
 The packs out the back
 I did the impossible (Hoo)
 I read the defense, then
 I had called an audible (Swish)
 Look like a sequence, Lambo'

Keep back to back crawlin' in (Skrtrt)
They said I wouldn't be shit, so fuck it,
I had to go hard again (Fuck it)
300, Sparta man (Sparta)
I'm a barbarian (Barbarian),
I'ma get my revenge (Mine)
Fuck on a thot and not at the spot,
Don't tell her what car I'm in (No)
Keepin' my head above the
Water just like a shark fin (Shark)
We got the narcs in (Narcs),
Chopper Clark Kent (Graow)
Don't get boxed in (Hey) You know I ain't come to play,
Let's get it (Turn me up)
I'm snappin' off the rip
Your ho say I'm her favorite nigga (Hah)
You probably don't wan' let
Your baby mama take a picture
(Why? Go Grizz)
'Cause I'm the type of
Baby that's gon' fuck her
Babysitter (Marii Beatz, turn me up)
I just did a show and pulled
Off laughin' on a hatin' nigga (Hah)
Them bitches aimin' at y'all fast,

I pulled that .40 out,
He better have an angel with him
Fuck all them niggas and
Whoever they got hangin' with 'em, bitch
