

Fly Me to the Moon (In Other Words)

Bobby Womack

Fly me
Fly me to the moon
And let me play among the stars
Let me see
Oh I want to see what spring is like
On Jupiter
On Jupiter and Mars
In other words, hold my hand
In other words, darling, I love you

Fill
Fill my heart with song
I want to sing to you darling
For ever more baby
You are all I long for
All I worship and adore
Can't you see that I love you

I have trying to tell you
that I care for you darling
Fly fly fly fly fly fly fly fly to the moon
And let me play [among the stars]
