

# Shallow

Lewis Capaldi

[Verse 1]

Tell me somethin', girl  
Are you happy in this modern world?  
Or do you need more?  
Is there somethin' else you're searchin' for?

[Refrain]

I'm falling  
In all the good times  
I find myself longing for change  
In all the bad times, I fear myself

[Verse 2]

Tell me something, boy  
Ain't you tired tryin' to fill that void?  
Or do you need more?  
Ain't it hard keepin' it so hardcore?

[Refrain]

I'm falling  
In all the good times  
I find myself longing for change  
In all the bad times, I fear myself

[Chorus]

I'm off the deep end, watch as I dive in  
I'll never meet the ground  
Crash through the surface where they can't hurt us  
Far from the shallow now

[Post-Chorus]

In the sha-ha, in the shallow  
In the shallow, shallow, shallow  
In the sha-ha, in the shallow  
We're far from the shallow now

[Bridge]

Oh, oh, oh, ah  
Ahh, oh, oh, oh

[Chorus]

I'm off the deep end, watch as I dive in  
I'll never meet the ground

Crash through the surface  
Where they can't hurt us  
Far from the shallow now

[Post-Chorus]

In the sha-ha, the shallow  
In the shallow, shallow, shallow  
In the sha-ha, the shallow  
Far from the shallow now

[Chorus]

I'm off the deep end, watch as I dive in  
I'll never meet the ground  
Crash through the surface  
Where they can't hurt us  
Far from the shallow now  
Far from the shallow now
