

# Fake Chain

## Sad Frosty

[Intro]

Your call cannot be completed as dialed, please hang up and redial the number

[Chorus]

My chain is fake as shit

I went to the palace and dropped the grip

Lil' bitch, she sucked my dick

I'm posted on Melrose while eating chips

Bitch and she want me to cuff

I do not love her, I just wanna fuck

Rarri got trunk in the front

I get the cash while taking a dump

[Verse]

Lil thot she do what I say and she send me the money I get it through PayPal

Hundred racks stuck in the safe now

I told them broke boys to get out my face now

[?] they fly on the low, leanin' on NyQuil just like I'm Fat Joe

I need 'em bands for a show

Nut on 'yo auntie, I made it snOoOow!

I get the cash on the regular

Fuck on that bitch, she hit on my cellular

Choke slam your hoe like a wrestler

Not on the gas, I feel like a Tesla

Oprahs they salty as fuck

I live in LA in The Hills counting bucks

I should be runnin' them bands

They signing a deal need a milli advance

[Chorus]

My chain is fake as shit

I went to the palace and dropped the grip

Lil' bitch, she sucked my dick

I'm posted on Melrose while eating chips

Bitch and she want me to cuff

I do not love her, I just wanna fuck

Rarri got trunk in the front

I get the cash while taking a dump

My chain is fake as shit

I went to the palace and dropped the grip

Lil' bitch, she sucked my dick

I'm posted on Melrose while eating chips

Bitch and she want me to cuff

I do not love her, I just wanna fuck

Rarri got trunk in the front

I get the cash while taking a dump, yeah

Mike G, you can't do this to 'em, man!
