

Golden

Harry Styles

[Intro]

Hey!

[Verse 1]

Golden, golden, golden as I open my eyes
Hold it, focus, hoping, take me back to the light
I know you were way too bright for me
I'm hopeless, broken, so you wait for me in the sky
Brown my skin just right
You're so golden

[Chorus]

You're so golden
I'm out of my head, and I know that you're scared
Because hearts get broken

[Verse 2]

I don't want to be alone
I don't want to be alone when it ends
Don't wanna let you know
I don't want to be alone
But I can feel it take a hold (I can feel it take a hold)
I can feel you take control (I can feel you take control)
Of who I am, and all I've ever known
Lovin' you's the antidote
Golden

[Chorus]

You're so golden
I don't want to be alone
You're so golden
You're so golden
I'm out of my head, and I know that you're scared
Because hearts get broken

[Bridge]

(Golden, golden, golden, golden)
(Golden, golden, golden, golden)
(Golden, golden, golden, golden)
(Golden, golden, golden, golden)

(Golden, golden, golden, golden)
(Golden, golden, golden, golden)
(Golden, golden, golden, golden)
I know that you're scared because I'm so open

[Chorus]
You're so golden
I don't want to be alone
You're so golden
You're so golden
You're so golden
I'm out of my head, and I know that you're scared
Because hearts get broken
