

Keep On Movin' (feat. Caron Wheeler)

Soul II Soul

Keep on moving
don't stop like the hands of time Click clock
find your own way to stay The time will come one day.
Why do people choose to live their life this way? Keep on moving
don't stop
no
keep on moving Keep on moving
keep on moving
don't stop
no Keep on moving.
It's our time
time today
the right time is here to stay Stay in my life
my life always
yellow is the colour of sunrays.
I hide myself from no one
I know the time will surely come when -
You'll be in my life my life
my life always yellow is the colour of sunrays. Keep on moving
don't stop like the hands of time Click clock
find your own way to stay
the time will come one day.
Keep on moving
don't stop
no
keep on moving
...I know the time
time today
walking alone in my own way Extremely cold and rainy day
friends and I have fun along the way Yes
we do! I hide myself from no one I know the time will really come when -
You'll be in my life
my life always yellow is the colour of sunrays. Keep on moving
don't stop like the hands of time
...
Keep on moving
don't stop
no
keep on moving.
