

# Things Are Changin'

Gary Clark Jr.

Ooh baby things are changing now  
And I can't tell  
Where I'll be from here on out  
Ooh its hell  
Knowing that for now  
We shouldn't kiss and tell When it's so good... Yeah!  
You walk up to me like a stranger girl  
And I already know your name  
I can make you feel good  
If you want to give me the time of day  
Won't you listen to me here and now?  
Cause I'll lay it down simple and plain  
Ooh it'd be good to get together girl  
But it'll be so hard to maintain  
Cause it seems like now  
Ooh baby things are changing now  
And I can't tell  
Where I'll be from here on out  
Ooh its hell  
Knowing that for now  
We shouldn't kiss and tell  
When it's so good... Yeah  
I told you already girl  
That I oh I was so gone  
But that sweet sweet love... Yeah!  
it had me hanging on  
So strong and I  
I know now girl  
That I can stand alone  
I was put here on this earth  
By myself, Yeah... whoa I gotta keep moving on  
Cause it seems like now  
Ooh baby things are changing now  
And I can't tell  
Where I'll be from here on out  
Ooh its hell  
Knowing that for now  
We shouldn't kiss and tell  
When it's so good... Yeah  
Yeah... Yeaah!
