

# There Is a God

Lee Ann Womack

Try and put your arms around the 100 year old tree  
Climb up on a horse and let him run full speed  
Take a look out at the world from 30,000 feet  
On your next flight Watch a flock of birds against the morning sun  
Close your eyes and listen to the river run  
Catch a firefly in your hand or a raindrop on your tongue  
That's right There is a God  
There is a God  
There is a God  
How much proof do you need? Plant a seed and see what comes out of the ground  
Find the heartbeat on your baby's ultrasound  
In a few years hear him laughing  
And don't it sound like a song?  
Stop and think about what you don't understand  
Things like life and love and how the world began  
Hear the doctor say he can't explain it  
But the cancer is gone There is a God  
There is a God  
There is a God  
How much proof do you need? Science says it's all just circumstance  
Like this whole world's just an accident  
But if you want to shoot that theory down  
Look around, just look around There is a God  
There is a God  
There is a God  
How much proof do you need?  
Oh there is a God  
There is a God  
There is a God  
How much proof do you need?
