

# Ready

Cole Swindell

[Verse 1]

She's finishing up putting on her makeup  
Teasin' me and the curls in her hair I'm just sitting here  
She's got me sweating like a cold beer, yeah  
Rushing and fussin' about her outfit  
Don't she know her kind of fine just don't quit  
Done up or done down I'm starin'  
No it don't matter what the girl's wearing

[Chorus]

She's ready  
She's hurtin' me winkin' she's workin' it so sweet and so sexy  
Yeah she's moving she's singing I'm losin' it thinking  
Lord help me so help me  
She got me rockin' my world no stopping kind of hot and heavy  
Yeah whenever she's ready, oh she's ready

[Verse 2]

I take her out but they don't know what's coming downtown  
I'll be damned heads turnin' everywhere and I know it ain't fair, man  
She's every bit of all mine, ain't sharing  
The place is packed and the drinks are flowing  
Band on stage just gettin' rollin'  
She's lookin' like the rock star  
Yeah, the real deal party don't start

[Chorus]

Till She's ready  
She's hurtin' me winkin' she's workin' it so sweet and so sexy  
Yeah she's moving she's singing I'm losin' it thinking  
Lord help me, so help me  
She got me rockin' my world no stopping kind of hot and heavy  
Yeah whenever she's ready, and right now she's ready

[Bridge]

I'm ready, she's leaning into me  
I'm reaching for the keys to my Chevy  
Little whisper in my ear, gotta get her out of here

[Chorus]

She's ready  
She's hurtin' me winkin' she's workin' it so sweet and so sexy  
Yeah she's moving she's singing I'm losin' it thinking  
Lord help me, so help me

She got me rockin' my world no stopping kind of hot and heavy  
Yeah whenever she's ready, oh she's ready  
[Outro]  
Yeah, my baby's ready  
Oh she's she's moving she's singing I'm losin' it  
She's hurtin' me winkin' she's workin' it so sweet and so, so sexy  
Whenever she's ready, mmm she's ready
