

Alone

Suicidal Tendencies

I scream at the sky, it's easier than crying
I'm shyest when I'm shouting out loud
I feel so alone in a room full of people
I'm loneliest when I'm out in a crowd
I'm alone, and nobody hears me
Can't nobody heal me, won't somebody help me I'm alone (I just need)
Someone to take my hand and pick me up when I'm feeling down
Someone to take my heart and give it a home
Someone to help me through the times when I'm down and lonely
Someone to be with me when I'm alone, (I'm alone, all alone) Alone is the way I live, it's not the
way I want it but you know
You can't give in, alone is the way I feel, it's so hard to understand
Why I've got to be alone
Chorus:
If you took a look at my heart you'd see it
I'm trying to be something better
If you look at my heart you'd feel it
I've got to keep moving on
If you look in my heart you'd know it
I'm just trying to make my world better
If you look in my heart you'd see it
I got to do it alone I've been down, I've been down
I've been down, down, down so low
I've been lost, so lost with no place left to go
I've had emotions, emotions that you better hope you never know
Sometimes it feels like I just can't take no more Chorus
Seems like things just keep getting further out of hand
Why can't for once things just go as I plan
How dare you, how dare you tell me that you understand?
Let me tell you straight out, there ain't nobody here that can
I'm all alone, I'm so alone, to be alone, just leave me alone If you look in my heart, you'll see it
If you look in my heart, you'd feel it
If you look in my heart you'd know it
I'm not trying to make no one bitter
I'm just alone, leave me alone, alone, alone, now leave me I've lived in places that you wouldn't
never ever want to be
Places where for a minute you couldn't ever stand to be
I've seen things, I've seen things you'd never want to see
So what gives, what gives you the right to be the judge of me
I'm all alone, I'm so alone, to be alone, just leave me alone A room full of people, can't nobody
hear me, can't nobody help me, I'm alone
I just need someone to take my hand

And pick me up when I'm feeling down (when I'm down) Someone to take my heart and give it
a home (when I'm down)
Someone to be with me and help me through the times
I'm down and lonely (when I'm down)
Someone to be with me (when I'm alone)
I'm alone, all alone
Alone is the way I live, it's not the way I want it
but I know I can't give in
Alone is the way I feel, there ain't nothing quite as sad as
a person that's alone
