

# Honey Bee

Blake Shelton

[Verse 1]

Girl, I been thinking 'bout us  
And you know I ain't good at this stuff  
These feelings piling up won't give me no rest  
This might come out a little crazy  
A little sideways, yeah maybe  
I don't know how long it'll take me but I'll do my best

[Chorus 1]

You'll be my soft and sweet  
I'll be your strong and steady  
You'll be my glass of wine  
I'll be your shot of whiskey  
You'll be my sunny day  
I'll be your shade tree  
You'll be my honeysuckle  
I'll be your honey bee

[Verse 2]

Yeah, that came out a little country  
But every word was right on the money  
And I got you smiling honey right back at me  
Now hold on cause I aren't done  
There's more where that came from  
Well you know I'm just having fun, but seriously

[Chorus 2]

If you'll be my Louisiana  
I'll be your Mississippi  
You'll be my Little Loretta  
I'll be your Conway Twitty  
You'll be my sugar, baby  
I'll be your sweet iced tea  
You'll be my honeysuckle  
I'll be your honey bee

[Bridge]

Your kiss just said it all  
I'm glad we had this talk  
Nothing left to do but fall in each other's arms

I could have said "I love you"  
Could have wrote you a line or two  
Baby, all I know to do is speak right from the heart

[Chorus 1]

You'll be my soft and sweet  
I'll be your strong and steady  
You'll be my glass of wine  
I'll be your shot of whiskey  
You'll be my sunny day  
I'll be your shade tree  
You'll be my honeysuckle  
I'll be your honey bee

[Chorus 2]

If you'll be my Louisiana  
I'll be your Mississippi  
You'll be my Little Loretta  
I'll be your Conway Twitty  
You'll be my sugar, baby  
I'll be your sweet iced tea  
You'll be my honeysuckle  
I'll be your honey bee

[Outro]

I'll be your honey bee
