

Boys In the Summer

Jessie James

It's hot as hell even in the shade
Squeeze you a little bit of lemonade
Wearing next to nothing and we like it
Coconut oil running down our backs
Girls trying to give the guys a heart attack
Baby there's no denying
The reason for July's skinny dipping and checking out tan lines
Making out underneath the moonlight Oh, yeah, yeah
Boys look so much hotter in the summer
Yeah, yeah
Take your shirt off in the water, pulled me under
Oh, I must be dreaming
Oh, you got me singing
Yeah, yeah, yeah, yeah, yeah, yeah
Stand the heat kissing on me
Standing in line at the Dairy Queen
You slipped your hand in my back pocket
Driving down the road
You'll be hanging out the window
50 miles but we've got no place to go
I don't care cause I like it We're underneath the stars
Laying here on the hood of your car
Baby, I barely know who you are Oh, yeah, yeah
Boys look so much hotter in the summer
Yeah, yeah
Take your shirt off in the water, pulled me under
Oh, I must be dreaming
Oh, you got me singing
Yeah, yeah, yeah, yeah, yeah, yeah
Summer only lasts so long
And there's nothing wrong with having some fun, yeah
No need to apologize
Just close your eyes and kiss on me tonight It's hot as hell even in the shade
Squeeze you a little bit of lemonade
Wearing next to nothing and we like it
1, 2, 3, 4 yeah Yeah, yeah
Boys look so much hotter in the summer
Yeah, yeah
Take your shirt off in the water, pulled me under
Oh, I must be dreaming
Oh, you got me singing
Yeah, yeah, yeah, yeah, yeah, yeah Yeah, yeah

Boys look so much hotter in the summer
Yeah, yeah
Take your shirt off in the water, pull me under
Oh, I must be dreaming
Oh, you got me singing
Yeah, yeah, yeah, yeah, yeah, yeah Yeah, yeah
Boys look so much hotter in the summer
Yeah, yeah
Take your shirt off in the water, pulled me under
Oh, I must be dreaming
Oh, you got me singing
Yeah, yeah, yeah, yeah, yeah, yeah
