

Hip to My Heart

The Band Perry

[Verse 1]

I like your lips like I like my Coca-Cola, yeah
Oh, how it pops and fizzes
You like my shirt like I like it when you hold my hand
The way ? it fits ? has got me feeling lucky

[Chorus]

Lookie, who is stunnin', who! You got that somethin'
Boy, I wanna be where you are, and I'm gunnin' for ya
Can't even fall for some other man, 'cause brother man
You know how to get hip to my heart
Come on, now

[Verse 2]

All the girls in town look you up and look you down, I know
So... come on and pick your kitten
Purr, baby, purr, go ahead and say the word ? let's go!
I think I'm the one you're digging; got me feeling lucky

[Chorus]

Lookie, who is stunning, who! You got that somethin'
Boy, I wanna be where you are, and I'm gunnin' for ya
Can't even fall for some other man, 'cause brother man
You know how to get hip to my heart

[Bridge]

Tell me now, who? Who?
Tell me now, who? You

[Verse 3]

You play it coo-ool, you play it so coo-coo-cool
What am I supposed to do, when you play it so cool
And I got the hots for you?

[Chorus]

Lookie, who is stunning, who! You got that somethin'
Boy, I wanna be where you are, and I'm gunnin' for ya
Can't even fall for some other man, 'cause brother man
You know how to get hip to my heart
Lookie, who is stunning, who! You got that somethin'

Boy, I wanna be where you are, and I'm gunnin' for ya
Can't even fall for some other man, 'cause brother man
You know how to get hip to my heart

[Outro]

I said, you know how to get hip to my heart
I said, you know how to get hip to my heart
