

The Rubberband Man

The Spinners

Hand me down my walkin' cane
Hand me down my hat
Hurry now and don't be late
'Cause we ain't got time to chat
You and me, we're goin' out
To catch the latest sound
Guaranteed to blow your mind
So high you won't come down
Hey, y'all, prepare yourself for the rubberband man
You've never heard a sound
Like the rubberband man
You're bound to lose control
When the rubberband starts to jam
Oh, this dude is outta sight
Everything he does
Seems to come out right
Once I went to hear them play
At a club outside of town
I was so surprised, I was hypnotized
By the sound this cat put down
When I saw this short, fat guy
Stretch a band between his toes
Hey, I laughed so hard
'Cause the man got down
When he finally reached his goal
Hey, y'all, prepare yourself for the rubberband man
You've never heard a sound
Like the rubberband man
You're bound to lose control
When the rubberband starts to jam
Got that rubber band
Up on his toes
And then he wriggled it up
All around his nose
Guaranteed to blow your mind
Playin' all that music, yet keepin' time
Where in the world did he learn that, oh, Lord
Lord, help him get away
Hey, y'all, prepare yourself for the rubberband man
You've never heard a sound
Like the rubberband man
You're bound to lose control
When the rubberband starts to jam
Rubberband man, rubberband man
How much of this stuff do he think we can stand?
So much rhythm, grace, and debonair for one man, Lord
And then he had the nerve to twiggle his left toe
Slip it through his knee, got the feeling in his head, y'all

Aw, come on, babyHey, y'all, prepare yourself for the rubberband man
You've never heard a sound
Like the rubberband man
You're bound to lose control
When the rubberband starts to jamRubberband man starts to jam
Moving up and down cross the land
Got the people all in his wake
Everything probably seems outta placeJust move it, just move it
Just move, move, move it
Just, rubberband, rubberband man
Just move it, just move it
Just move, move, move it
Just, rubberband, rubberband man
Get down
Oh, get down low
Ah ha
