

# Transformer

Gnarls Barkley

I, I, I, I I I  
Know how to transform  
I transform  
I transform  
I'm a transformer I, I, I, I I I  
Know how to transform  
I transform  
I'll transform  
I'm a transformer I'm just being myself  
Plus I gotta be me too  
Silly of me to think that  
I couldn't bring myself to be you  
Ah but behold there is benevolence  
Behind this but don't stare though  
Be careful cause I'll kill you  
With kindness That why I'm dressed quite neatly  
Cause it's easy and discreetly they seek me  
And when they reach me and see me  
They believe me completely I'm a real live wire I ain't lying  
If it's between me and you I ain't dying  
I can transform, I can transform, I can transform  
Without even trying I, I, I, I I I  
Know how to transform  
I transform  
I transform  
I'm a transformer  
I, I, I, I I I  
Know how to transform  
I transform  
I'll transform  
I'm a transformer Now I'm someone else  
Now someone can be me too  
Behold the beautiful and bold everyday I wake up to be new  
Ah but its simple but they still can't understand why  
I think I can, I think I can, I think I can (or can I?) I'm a microchip off the old block  
And you know not but I was a robot  
And I sold rock and you would get for sho shot  
With a gold glock, boy I rode pac Something that you won't see again  
What the hell might as well be a friend  
I can transform, I'm a transformer  
No telling who I will have to be again I, I, I, I I I  
Know how to transform

I transform  
I'll transform  
I'm a transformerI, I, I I I  
Know how to transform  
I transform  
I'll transform  
I'm a transformer
