

Nomadic (feat. Joji)

Higher Brothers

[Hook: Joji]

I never stand still, bitch I'm nomadic
Different woman on my bed, that's a bad habit
I ain't never close my eyes, bitch I'm nomadic
I ain't tryna be in one place, I relocated
If you see the way the money move, it's nomadic
We just run it through the wire, keep it automatic
We gon' move it through the shadows, bitch I'm nomadic
I ain't tryna be in one place, I relocated
