

# Chloe (You're the One I Want)

## Emblem3

Chloe, I know your sister turns everyone on  
But you're the one I want  
But you're the one I want, yeah Yeah, front page magazine  
Everybody says that she's the queen  
But that's you to me  
And I just want to let let you know that  
She likes the flashing lights  
I love the way that you like candle lights  
Stay close by my side  
I just want a chance to show that If only you could believe in yourself the way I believe in you  
I-I do (but you're the one I want)  
If only you see all of the beautiful things that I see in you  
It's true-oo-oo-oo  
Chloe, I know your sister turns everyone on  
But oh baby, I have no doubt you're the one that I want  
(ooh-ooh-oo)  
You think she's got it all but that don't make her better  
You got my heart and that's the only thing that matters  
Chloe, I know your sister turns everyone on  
But you're the one I want  
But you're the one I want, yeah  
Fast lanes, limousines Baby there can be not guarantees  
But if you're with me, you know I can guarantee that  
Cause I'm attracted to you passion, be yourself forget the fashion  
Just keep that smile on, that you you're flashing  
You and I deserve to be forever ever lasting  
If only you could believe in yourself the way I believe in you  
I-I do (but you're the one I want) If only you see all of the beautiful things that I see in you  
It's true-oo-oo-oo  
Chloe, I know your sister turns everyone on  
But oh baby, I have no doubt you're the one that I want (ooh-ooh-oo)  
You think she's got it all but that don't make her better  
You got my heart and that's the only thing that matters  
Chloe, I know your sister turns everyone on  
But you're the one I want, yeah  
But you're the one I want, yeah  
(All you Chloe's)  
All you Chloe's They don't show you love enough (hoo-hoo-hoo-hoo)  
All you Chloe's  
You should now that you're my diamond in the rough  
It's true-oo-oo-oo  
Chloe, I know your sister turns everyone on

But oh baby, I have no doubt you're the one that I want  
(ooh-ooh-oo)  
You think she's got it all but that don't make her better  
You got my heart and that's the only thing that matters  
Chloe, I know your sister turns everyone on  
But you're the one I want  
But you're the one I want, yeah (ooh-ooh-oo)
