

# Move Your Body

## Eiffel 65

Jump off your mind mind  
Jump off your body  
Move your mind  
Move your mind mind  
Jump off your body body  
Jump off your mind mind  
Jump off your body  
Move your mind  
Move your mind mind  
Jump off your body  
Move your, move your, move your...Move your body  
Every everybody.  
Move your body  
C'mon now everybody.  
Move your body, move your body.  
Everybody c'mon now everybody.Move your body  
Every everybody.  
Move your body  
C'mon now everybody.  
Move your body, move your body.  
Everybody c'mon now everybody.  
Move your body  
Every everybody.  
Move your body  
C'mon now everybody.  
Move your body, move your body.Everybody c'mon now everybody.  
You want to move the worldStart with your body.  
Yo, c'mon you gotta start with something.  
If you wanna move your mind  
Just move your body.  
Move your mind, move your mind  
It's gonna cost you nothing.You want to move someone  
Start with your body.  
You c'mon and try to move somebody.  
If you wanna move alone  
Then everybody will move along with you.  
Move your bodyEvery everybody.  
Move your body  
C'mon now everybody.  
Move your body, move your body.Everybody c'mon now everybody.  
Move your body  
Every everybody.

Move your body  
C'mon now everybody.  
Move your body, move your body.  
Everybody c'mon now everybody.  
Jump off your mind mindJump off your body  
Move your mind  
Move your mind mind  
Jump off your body body  
Jump off your mind mindJump off your body  
Move your mind  
Move your mind mind  
Jump off your body...  
You want to move the world  
Start with your body. Yo, c'mon you gotta start with something.  
If you wanna move your mind  
Just move your body.  
Move your mind, move your mind  
It's gonna cost you nothing.  
You want to move someone  
Start with your body.  
You c'mon and try to move somebody.  
If you wanna move alone  
Then everybody will move along with you.  
Move your body  
Every everybody.  
Move your body  
C'mon now everybody.  
Move your body, move your body.  
Everybody c'mon now everybody.  
Move your body  
Every everybody.  
Move your body  
C'mon now everybody.  
Move your body, move your body.  
Everybody c'mon now everybody.  
Move your body  
Every everybody.  
Move your body  
C'mon now everybody.  
Move your body, move your body.  
Everybody c'mon now everybody.
