

# Why Wait

## Rascal Flatts

What do you say, girl  
We do something crazy?  
Quit putting it off  
You know what I'm sayin' Ain't like it ain't gonna happen, forever's a given  
It's already written, who we kiddin', baby, come on  
The stars can't line up any straighter  
Let's do it now and think about it later Why wait another minute  
For something we should've done yesterday  
I know a little church  
With a preacher who could hook us up right away Love don't need a reason, baby, I don't see  
how I could  
Love you any more than I do today So why wait?  
Now I love your mama  
Let's save her some trouble  
And your daddy won't mind  
If we save him a bundle Girl, it just so happens, that ring that you wanted  
Well, guess what? I bought it, it's in my pocket, baby, come on  
Let's get it done, let's get it on your left hand  
This is me, girl, popping the question Why wait another minute  
For something we should've done yesterday  
I know a little church  
With a preacher who could hook us up right away Love don't need a reason, baby, I don't see  
how I could  
Love you any more than I do today So why wait? Let's do something crazy  
'Cause crazy is what you make me  
Why wait another minute? Wait another minute?  
Come on, I know a little church  
With a preacher who could hook us up right away Love don't need a reason, baby, I don't see  
how I could  
Love you any more than I do today So why wait?  
Why wait? What do you say, girl  
We do something crazy?
