Two 10s

[Quinn XCII](#)

I hear the rumors outside

Decide to not call your bluff

It's time to delegate [?]

Is what we have planned enough?

I'm saying, saying

It's no problem, come over later

My folks are not persistent

But who's got the dead presidents?

'Cause mine remain non-existent

All my friends are conversating

Waiting at the front door, patiently

I still gotta ask one favor

Can I get a twenty for a real good time?

Two 10s, I'm not tryna go crazy

Give you my honesty that I won't do lines

But I can't speak for Stacy

I'll call you, I'll call you, oh, the second that I get there

I don't want you calling other parents because you're scared

Listen, I just need a twenty for a real good time

Two 10s, I'm not tryna go crazy

Stop staring right through the window

You're gonna cause a stir

My parents might get upset

And not let us leave the 'burbs

So give me two seconds, let me sweet talk 'em

This shouldn't last more than a minute

But if they ask, "Son, where is it you're going?"

My night may as well be finished

All my friends are conversating

Waiting at the front door, patiently

I still gotta ask one favor

Can I get a twenty for a real good time?

Two 10s, I'm not tryna go crazy

Give you my honesty that I won't do lines

But I can't speak for Stacy

I'll call you, I'll call you, oh, the second that I get there

I don't want you calling other parents because you're scared

Listen, I just need a twenty for a real good time

Two 10s, I'm not tryna go crazy

Don't you run from me

(I'll be back around 10:30)

It's 9:30, see

(Okay, I gotta go, don't worry)

You're too young to see

(All my friends are in a hurry)

Nothing's ever free

Can I get a twenty for a real good time?

Two 10s, I'm not tryna go crazy

Give you my honesty that I won't do lines

But I can't speak for Stacy

I'll call you, I'll call you, oh, the second that I get there

I don't want you calling other parents because you're scared

Listen, I just need a twenty for a real good time

Two 10s, I'm not tryna go crazy
