

Snail (feat. chloe moriondo)

Cavetown

[Intro: Cavetown with Chloe Moriondo] I was just born like this Wish that I could change it Four
peculiar limbs and a head that doesn't fit Wish that I was still a kid I was just born like
this Doctors knew before I did There's another snail living with me in my shell It's fair to say I
don't like it [Verse 1: Cavetown with Chloe Moriondo] I'm hanging out with the bullets in my
mouth And when you look away I'll spit them out I'm hanging out with the foxes and the
hounds And when I fit in I'll break back out [Verse 2: Cavetown & Chloe Moriondo] Really hope
you've found something Entertaining Honestly I've had enough of looking at a dead man [Bridge:
Cavetown & Chloe Moriondo] I just wanna scrape my knees Cry until my mommy sees Popsicle
to make a mess All over my Sunday best Learn everything For the first time again [Outro:
Cavetown] I just wanna be a kid I just wanna be a kid But I don't wanna be a kid who was born
like this
