

# I Need Your Love Tonight

**DJ Marlon**

[Verse]

Close your eyes  
Only got one night  
Just put your trust in me  
Give me everything  
I need your love tonight  
So baby please don't fight  
And put your trust in me  
I'll give you everything

[Refren]

So, hold on to me  
Never let me go  
Right here in your arms  
Is where I wanna be  
So, hold on to me  
Look me in the eyes  
Under the night sky  
Far eternity
