

# Nothing Wrong (with Marc Broussard)

[LeAnn Rimes](#)

I would've slipped off my jeans  
And slipped on my heels  
If I knew I'd see you  
This diamond ring  
Gets kinda loose  
Gotta watch myself  
Around you Glad you finally  
Said somethin'  
'Cause it's been  
Weighin' on my mind  
And messin' with my life  
I wonder  
Should I feel guilty  
But we haven't crossed  
That line  
We ain't doin'  
Nothin' wrong, ooo  
Nothin' wrong  
As long we keep  
It innocent  
I'm just tryin'  
To have some fun  
But baby  
You're drivin' me crazy  
I ain't tryin'  
To make you crazy  
For me it ain't  
That much fun  
If we ain't  
Doin' nothin' wrong  
If you only knew  
What you do to me  
When you walk away  
If I had a chance  
Gave you a taste  
Well baby  
You'd be  
Beggin' me to stay Sometimes I wonder  
What it'd feel like  
But I gotta good man  
And I'm a damn good wife  
I don't wanna feel guilty

But it's getting awfully  
Hard to believe We ain't doin'  
Nothin' wrong, oh yeah  
Nothin' wrong as long  
We keep it innocent  
I'm just tryin'  
To have some fun  
But baby  
You're drivin' me crazy  
I ain't tryin'  
To make you crazy  
For me it ain't  
That much fun  
If we  
Ain't doin' nothin' I'd never ask you  
Would you leave  
The one you love?  
I'd never tell you  
I want you so bad it hurts  
I like the way  
You make me feel  
Baby, can we make it real?  
If we don't make it real I'm just tryin'  
To have some fun  
But baby  
You're drivin' me crazy  
I ain't tryin'  
To make you crazy  
For me it ain't  
That much fun  
If we ain't  
Doin' nothin'  
If we ain't  
Doin' nothin' wrong
